**4. Contest statistics** are accumulated from the start of the Football Regular Season (September 7<sup>th</sup>, 2017) based on the NFL and will continue to the last day of the Football Regular season (December 31<sup>st</sup>, 2017). Statistics are to be considered final from the day they are recovered, regardless of any subsequent changes made by any other reporting organization. Sole Survivor Pools.com will compile the statistics with or without the assistance of an outside statistical service. The contest statistics are adjusted at the sole discretion of Sole Survivor Pools.com. Statistics and rankings will be updated 24 to 48 hours post game completion and at any subsequent time deemed necessary by Sole Survivor Pools.com. All statistics will be applied to the date they have been accrued and verified with the NFL.

**5. Prizing:** Prizes will be awarded at the end of the contest for the Top 10 finishers. Ties for any of the contestants placing in the top 10 will be ruled under the aggregate process. The aggregate process states that if any contestant tie(s) for a placing, in any contest for any bracket we offer, then the total of all those tied placing's will be added and then divided by the number of tied contestants and then dispersed equally among those tied. For example: 3 contestants tie for 4<sup>th</sup> spot. The 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> spots would be totaled and then divided by 3 and this would then be the pay out to each of those 3 contestants.

**Total Prize Pool: \$302,500.00 US Dollars\*.**

Grand Prize , 1 <sup>st</sup> place:	\$200,000.00 USD (or 41% of Prize pool)
2 <sup>nd</sup> Place:	\$50,000.00 USD (or 12% of prize pool)
3 <sup>rd</sup> Place:	\$20,000.00 USD (or 9% of prize pool)
4 <sup>th</sup> Place:	\$10,000.00 USD (or 7% of prize pool)
5 <sup>th</sup> Place:	\$7,500.00 USD (or 6% of prize pool)
6 <sup>th</sup> Place:	\$5,000.00 USD (or 5% of prize pool)
7 <sup>th</sup> Place:	\$4,000.00 USD (or 4% of prize pool)
8 <sup>th</sup> Place:	\$3,000.00 USD (or 3% of prize pool)
9 <sup>th</sup> Place:	\$2,000.00 USD (or 2% of prize pool)
10 <sup>th</sup> Place:	\$1,000.00 USD (or 1% of prize pool)

**Grand Prize Award:** In the event of a tie for the Grand Prize at the completion of the contest, the Grand Prize and any subsequent top 10 prizes that would be awarded to the tied grand prize winners will be totaled and divided evenly among the tied winners. Each Winner would then have an equal share of the Grand prize and any top 10 prize they would qualify for.

**Top 10 prize Awards:** In the event of a tie for any of the top 10 prizes, please refer to the sequence and explanation of the Grand prize award above. The same procedure will be followed. If the tied list goes beyond the 10 contestants awarded a prize, we will include those entries beyond the 10 and include them in the formula for pay out.

**Example:** If 5 entries finish tied for 2nd place, each of the 5 would get an equal share of the 2nd, 3rd, 4th, 5th, and 6th spot combined.

All Prize awards are determined by Sole Survivor Pools.com and Sports Business Interactive LLC. Contestants will be contacted by Sole Survivor Pools.com to notify them of their prize award and will arrange payment of such prize.

\* If Less than 3753 entries are in a bracket at the time of the registration deadline, the prize payout will alter to **90%** of the prizing fees accumulated for that bracket. The amounts will then be altered to reflect the same percentages outlined in the TOP 10 prize structure above. If 3753 or more entries are registered in the bracket at time of registration deadline the outlined prize awards in the TOP 10 will be structured around the \$302,500.00 USD prize payout.
